27 unemployed workers and their families and communities and,  
28 ultimately, the state;

29 (2) there exists clean coal technology that, if successfully  
30 implemented, will increase the fortunes of the coal industry and,  
31 as a result, workers in the industry and their families and  
32 communities and, ultimately, the state; and

For purposes of this section, "beneficiaries" means corporate and individual sponsors and proponents of projects, the coal industry and coal users, and employees of the coal industry and coal users, and political subdivisions whose economies are dependent in whole or in part on the coal industry. Contributions may be in cash, in kind, or in any combination of in cash and in kind, and may include real and personal property and interests in real and personal property and in technology, patents, licenses, franchises, marketing agreements, and shares and other interests in any of the foregoing. SECTION 74. IC 4-22-2-44 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 44. A rulemaking action that does not conform with this chapter is invalid, and a rule that is the subject of a noncomplying rulemaking action does not have the effect of law until it is adopted in conformity with this chapter. However, the failure of an agency to comply with section ~~20(2)~~ **20(a)(2)** of this chapter does not invalidate the rulemaking action.

SECTION 75. IC 4-22-2.1-5, AS ADDED BY P.L.188-2005, SECTION 4, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. 1 annual economic impact of a rule on all small businesses after the rule  
 2 is fully implemented as described in subsection (b). The statement  
 3 required by this section must include the following:

4 (1) An estimate of the number of small businesses, classified by  
 5 industry sector, that will be subject to the proposed rule.

6 (2) An estimate of the average annual reporting, record keeping,  
 7 and other administrative costs that small businesses will incur to  
 8 comply with the proposed rule.

9 (3) ~~A~~ **An** estimate of the total annual economic impact that  
 10 compliance with the proposed rule will have on all small  
 11 businesses subject to the rule. The agency is not required to  
 12 submit the proposed rule to the legislative services agency for a  
 13 fiscal analysis under IC 4-22-2-28 unless the estimated economic  
 14 impact of the rule is greater than five hundred thousand dollars  
 15 (\$500,000) on all regulated entities, as set forth in IC 4-22-2-28.

16 (4) A statement justifying any requirement or cost that is:

17 (A) imposed on small businesses by the rule; and

18 (B) not expressly required by:

19 (i) the statute authorizing the agency to adopt the rule; or

20 (ii) any other state or federal law.

21 The statement required by this subdivision must include a  
 22 reference to any data, studies, or analyses relied upon by the  
 23 agency in determining that the imposition of the requirement or  
 24 cost is necessary.

25 (5) A regulatory flexibility analysis that considers any less  
 26 intrusive or less costly alternative methods of achieving the  
 27 purpose of the proposed rule. The analysis under this subdivision  
 28 must consider the following methods of minimizing the economic  
 29 impact of the proposed rule on small businesses:

30 (A) The establishment of less stringent compliance or  
 31 reporting requirements for small businesses.

32 (B) The establishment of less stringent schedules or deadlines  
 33 for compliance or reporting requirements for small businesses.

34 (C) The consolidation or simplification of compliance or  
 35 reporting requirements for small businesses.

36 (D) The establishment of performance standards for small  
 37 businesses instead of design or operational standards imposed  
 38 on other regulated entities by the rule.

39 (E) The exemption of small businesses from part or all of the  
 40 requirements or costs imposed by the rule.

41 If the agency has made a preliminary determination not to  
 42 implement one (1) or more of the alternative methods considered,

**C**

the agency shall include a statement explaining the agency's reasons for the determination, including a reference to any data, studies, or analyses relied upon by the agency in making the determination.

(b) For purposes of subsection (a), a proposed rule will be fully implemented with respect to small businesses after:

(1) the conclusion of any phase-in period during which:

(A) the rule is gradually made to apply to small businesses or certain types of small businesses; or

(B) the costs of the rule are gradually implemented; and

(2) the rule applies to all small businesses that will be affected by the rule.

In determining the total annual economic impact of the rule under subsection (a)(3), the agency shall consider the annual economic impact on all small businesses beginning with the first twelve (12) month period after the rule is fully implemented. The agency may use actual or forecasted data and may consider the actual and anticipated effects of inflation and deflation. The agency shall describe any assumptions made and any data used in determining the total annual economic impact of a rule under subsection (a)(3).

(c) The agency shall:

(1) publish the statement required under subsection (a) in the Indiana Register as required by IC 4-22-2-24; and

(2) deliver a copy of the statement, along with the proposed rule, to the Indiana economic development corporation not later than the date of publication under subdivision (1).

SECTION 100. IC 5-13-12-7, AS AMENDED BY P.L.235-2005, SECTION 81, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 7. (a) The board for depositories shall manage and operate the insurance fund. All expenses incident to the administration of the fund shall be paid out of the money accumulated in it subject to the direction of the board for depositories.

(b) Effective January 1 and July 1 in each year, the board shall before those dates redetermine the amount of the reserve to be maintained by the insurance fund. The establishment or any change in the reserve for losses shall be determined by the board based on a study to be made or updated by actuaries, economists, or other consultants based on the history of losses, earnings on the funds, conditions of the depositories, economic conditions affecting particular depositories or depositories in general, and any other factors that the board considers relevant in making its determination. The reserve determined by the board must be sufficient to ensure the safekeeping and prompt payment of public funds to the extent they are not covered by insurance of any federal deposit insurance agency.

(c) At the end of each biennial period during which depositories have had public funds on deposit under this chapter and paid the assessments levied by the board, the board shall compute its receipts from assessments and all other sources and its expenses and losses and

The amount of the assessments, if any, levied by the board shall, to the extent the fund exceeds the reserve for losses at the end of a biennial period commencing July 1 of each odd-numbered year, be distributed to the depositories that had public funds on deposit during the biennial period in which the assessments were paid. The distribution shall be made to the respective depositories in the proportion that the total assessments paid by each depository during that period bears to the total assessments then paid by all depositories. A distribution to which any closed depository would otherwise be entitled shall be set off against any claim that the insurance fund may have against the closed depository.

(d) The board may invest, reinvest, and exchange investments of the insurance fund in excess of the cash working balance in any of the following:

(b) Expenses incurred by the authority in carrying out the provisions of this chapter may be made payable from funds provided pursuant to this chapter, and no liability shall be incurred by the authority under this chapter beyond the extent to which moneys shall have been so provided.

SECTION 107. IC 5-20-2-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 5. ~~Other Limitations.~~ (a) Bonds shall not be issued by a county, city, town, or consolidated city for home mortgages under this chapter if at the time of issuance and delivery there remains unexpended or uncommitted more than five percent (5%) of the net proceeds of a prior bond issued by that county, city, town, or consolidated city under this chapter.

For purposes of this subsection, financing of a residence is ninety-five percent (95%) financing if such financing is ninety-five percent (95%) or more of the acquisition cost of such residence. A larger down payment is permitted in the case of alternative mortgage instruments as provided by law.

(e) No mortgage shall be made under this chapter the amount of which exceeds two and one-half (2 1/2) times the amount of the annual income of the prospective ~~mortgager~~ **mortgagor**. (f) The effective rate of interest on mortgages provided from a particular bond issue under this chapter may not exceed the yield on the issue by more than one (1) percentage point. For purposes of this subsection, the effective rate of mortgage interest and the bond yield shall be determined in accordance with reasonable procedures adopted by the ~~state Indiana~~ **housing finance and community development** authority. However, the ~~state Indiana~~ **housing finance and community development** authority may waive the restriction in this subsection if it determines that:

- (2) the proposed issue is not marketable without waiver of the restriction.

(g) An issue meets the requirements of this section only if a preliminary official statement of such issue has been submitted to the ~~state Indiana~~ **housing finance and community development** authority, and:

- (1) such authority has, within thirty (30) days after the date of such submission, issued an opinion that such issue meets the requirements of ~~sections this section and section 4 and 5~~ of this chapter; or

(c) The articles of incorporation of a mutual housing association must include a provision that provides that if the mutual housing association dissolves, is involved in a bankruptcy proceeding, or otherwise disposes of its physical properties, the association may only transfer the assets to another entity that provides high quality, long term housing for families of low and moderate income.

SECTION 109. IC 5-20-3-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6.  3 the loans made to the mutual housing authority, the maintenance  
 4 and operating expenses of a housing project (including insurance  
 5 and administrative costs), and an allowance for a reasonable  
 6 return on equity capital contributed to a housing project through  
 7 membership fees or nonstate grants. The rentals must be within  
 8 the financial reach of families of low income. The return on  
 9 equity capital must be used by the mutual housing association to  
 10 develop additional dwelling units.

11 (4) The mutual housing association, subject to the approval of the  
 12 **Indiana housing finance and community development**  
 13 authority, shall fix the maximum income limits for the admission

 15 association shall define the income of a family to provide the  
 16 basis for determining eligibility for the admission, rent, and  
 17 continued occupancy of families under the maximum income  
 18 limits. In defining family income, the authority may provide for  
 19 the exclusion of any part of the income of family members that  
 20 the authority believes generally available to meet the cost of basic  
 21 living needs of the family.

22 (5) The mutual housing association may not refuse to rent a  
 23 dwelling accommodation to an otherwise qualified applicant  
 24 because one (1) or more of the proposed occupants are children  
 25 born out of wedlock.

26 (6) The mutual housing association shall provide each applicant  
 27 for admission to the housing project a receipt stating the time and  
 28 date of application and shall maintain a list of the applications  
 29 that must be available for public inspection. The Indiana housing  
 30 **finance and community development** authority shall adopt rules  
 31 governing the form and procedure for maintaining the list.

32 (7) The mutual housing association may require the payment of  
 33 a membership fee as a condition of eligibility of occupancy for a  
 34 dwelling unit. The fee must be refunded to a resident member,  
 35 with nominal interest, when the member vacates the dwelling  
 36 unit.

37 (8) The Indiana housing ~~finance~~ **and community development**  
 38 authority shall require and must approve an operation  
 39 management plan for each housing project from the mutual  
 40 housing association. The plan must provide for an income

(9) The Indiana housing **finance and community development** authority may inspect any housing during the period of the loan or, in the case of a grant, during the period when a housing project is used to house families of low and moderate income.

(10) The mutual housing association shall semiannually submit a report to the **Indiana housing finance and community development** authority with information on operating costs, tenant information, rentals, and any other information that the Indiana housing **finance and community development** authority requires by rule.

(11) The mutual housing association may request permission of the Indiana housing **finance and community development** authority to allow the continued occupancy of dwelling units by tenants whose annual income exceeds maximum limits or the rental of vacant units to tenants whose income exceeds maximum limits if the vacancies would result in the inability to pay debt service, administrative costs (including state service charges), operating costs, and reserve for repairs, maintenance, replacements, and collection costs. The continued occupancy or rental must be for a period of one (1) year, subject to subsequent one (1) year renewals. The mutual housing association may, subject to the approval of the Indiana housing **finance and community development** authority, fix rent at a higher level for tenants described in this subdivision.

(12) The difference between the increased rent and the normal rent described in subdivision (11) must be used by the mutual housing association to develop additional dwelling units or credited against the rent owed by another low or moderate income resident member of the association.

(13) The cost of options on housing sites, engineering and architectural services, and preliminary construction expenses may, subject to the approval of the Indiana housing **finance and community development** authority, be included as part of the cost of a project to be financed by a loan or grant.

 14 IC 6-1.1-20.9 for homesteads in the county, city, or town.

15 (B) The additional homestead credits shall be treated for all  
 16 purposes as property tax levies. The additional homestead  
 17 credits do not reduce the basis for determining the state

 19 homestead credit under IC 6-1.1-20.9.

20 (C) The additional homestead credits shall be applied to the  
 21 net property taxes due on the homestead after the application

 23 deductions and credits that apply to the amount owed under  
 24 IC 6-1.1.

25 (D) The department of local government finance shall

 29 subdivision to provide additional homestead credits in that  
 30 year.

31 ~~(5)~~ (6) This subdivision applies only in a county having a  
 32 population of more than four hundred thousand (400,000) but  
 33 less than seven hundred thousand (700,000). Except as otherwise  
 34 provided, the procedures and definitions in IC 6-1.1-20.9 apply  
 35 to this subdivision. A county or a city or town in the county may  
 36 use county economic development income tax revenue to provide  
 37 additional homestead credits in the county, city, or town. The  
 38 following apply to additional homestead credits provided under  
 39 this subdivision:

40 (A) The county, city, or town fiscal body must adopt an  
 41 ordinance authorizing the additional homestead credits. The  
 42 ordinance must:

C

(ii) specify the amount of county economic development income tax revenue that will be used to provide additional homestead credits in the following year.

(B) A county, city, or town fiscal body that adopts an ordinance under this subdivision must forward a copy of the ordinance to the county auditor and the department of local government finance not more than thirty (30) days after the ordinance is adopted.

(C) The additional homestead credits must be applied uniformly to increase the homestead credit under IC 6-1.1-20.9 for homesteads in the county, city, or town.

(D) The additional homestead credits shall be treated for all purposes as property tax levies. The additional homestead credits do not reduce the basis for determining the state property tax replacement credit under IC 6-1.1-21 or the state homestead credit under IC 6-1.1-20.9.

(E) The additional homestead credits shall be applied to the net property taxes due on the homestead after the application of all other assessed value deductions or property tax deductions and credits that apply to the amount owed under IC 6-1.1.

The roundtable shall describe any assumptions made and any data used in determining the total estimated fiscal impact of a recommendation under this section.

24 SECTION 317. IC 20-23-7-12, AS ADDED BY P.L.1-2005,  
25 SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE  
26 UPON PASSAGE]: Sec. 12. (a) As used in this section, "school  
27 township" means a school township of this state that:

28 (1) for the last full school semester immediately preceding the  
29 adoption of a preliminary resolution by the township trustee and  
30 the township board under subsection (f) or their adoption of a  
31 resolution of disapproval under subsection (g) had an average  
32 daily membership of at least six hundred (600) students in  
33 kindergarten through grade 12 in the public schools of the school  
34 township; or

35 (2) is part of a township in which there were more votes cast for  
36 township trustee outside the school township than inside the  
37 school township in the general election at which the trustee was  
38 elected and that preceded the adoption of the preliminary or  
39 disapproving resolution.

40 (b) As used in this section, "township trustee" means the township  
41 trustee of the township in which the school township is located.

board of the township in which the school township is located.

(d) As used in this section, "county" means the county in which the school township is located.

(e) In a school township, a metropolitan school district may be created by complying with this section. A metropolitan school district created under this section shall have the same boundaries as the school township. After a district has been created under this section, the school township that preceded the metropolitan school district is abolished. None of the procedures or provisions governing the creation of a metropolitan school district under another section of this chapter are applicable to the creation of a district under this section. After a district is created under this section, the metropolitan school district shall, except as otherwise provided in this section, be governed by and operate in accordance with this chapter governing the operation of a metropolitan school district as established under section 2 of this chapter.

(f) Except as provided in subsection (g), a metropolitan school district provided for in subsection (e) may be created in the following manner:

(1) The township trustee shall call a meeting of the township board. At the meeting the township trustee and a majority of the township board shall adopt a resolution that a metropolitan school district shall be created in the school township. The township trustee shall then give notice:

(A) by publication by two (2) insertions one (1) week apart in a newspaper of general circulation published in the school township; or

(B) if there is no newspaper as described in clause (A), in a newspaper of general circulation in the county;

of the adoption of the resolution setting forth the text of the resolution.

(2) On the thirtieth day after the date of the last publication of the notice under subdivision (1) and if a protest has not been filed, the township trustee and a majority of the township board shall confirm their preliminary resolution. If, however, on or before the twenty-ninth day after the date of the last publication of the notice, a number of registered voters of the school township, equal to five percent (5%) or more of the number of votes cast in the school township for secretary of state at the last preceding general election for that office, sign and file with the township trustee a petition requesting an election in the school township to determine whether or not a metropolitan school district must be

created in the township in accordance with the preliminary resolution, then an election must be held as provided in subsection (h). The preliminary resolution and confirming resolution provided in this subsection shall both be adopted at a meeting of the township trustee and township board in which the township trustee and each member of the township board received or waived a written notice of the date, time, place, and purpose of the meeting. The resolution and the proof of service or waiver of the notice shall be made a part of the records of the township board.

(g) Except as provided in subsection (f), a metropolitan school district may also be created in the following manner:

(1) A number of registered voters of the school township, equal to five percent (5%) or more of the votes cast in the school township for secretary of state at the last general election for that office, shall sign and file with the township trustee a petition requesting the creation of a metropolitan school district under this section.

(2) The township trustee and a majority of the township board shall, not more than ten (10) days after the filing of a petition:

(A) adopt a preliminary resolution that a metropolitan school district shall be created in the school township and proceed as provided in subsection (f); or

(B) adopt a resolution disapproving the creation of the district.

(3) If either the township trustee or a majority of township board members vote in favor of disapproving the resolution, an election must be held to determine whether or not a metropolitan school district shall be created in the school township in the same manner as is provided in subsection (f) if an election is requested by petition.

(h) An election required under subsection (f) or (g) may, at the option of the township trustee, be held either as a special election or in conjunction with a primary or general election to be held not more than one hundred twenty (120) days after the filing of a petition under subsection (f) or the adoption of the disapproving resolution under subsection (g). The township trustee shall certify the question to the county election board under IC 3-10-9-3 and give notice of an election:

(1) by two (2) insertions one (1) week apart in a newspaper of general circulation in the school township; or

(2) if a newspaper described in subdivision (1) does not exist, in a newspaper of general circulation published in the county.

The notice must provide that on a day and at an hour named in the

notice, the polls shall be opened at the usual voting places in the various precincts in the school township for the purpose of taking the vote of the registered voters of the school township regarding whether a metropolitan school district shall be created in the township. The election shall be held not less than twenty (20) days and not more than thirty (30) days after the last publication of the notice unless a primary or general election will be conducted not more than six (6) months after the publication. In that case, the county election board shall place the public question on the ballot at the primary or general election. If the election is to be a special election, the township trustee shall give notice not more than thirty (30) days after the filing of the petition or the adoption of the disapproving resolution.

(i) On the day and time named in the notice, the polls shall be opened and the votes of the voters shall be taken regarding whether a metropolitan school district shall be created in the school township. IC 3 governs the election except as otherwise provided in this chapter. The county election board shall conduct the election. The public question shall be placed on the ballot in the form prescribed by IC 3-10-9-4 and must state "Shall a metropolitan school district under IC 20-23-7 be formed in the \_\_\_\_\_ School Township of \_\_\_\_\_ County, Indiana?". The name of the school township shall be inserted in the blanks.

(j) The votes cast in the election shall be canvassed at a place in the school township determined by the county election board. The certificate of the votes cast for and against the creation of a metropolitan school district shall be filed in the records of the township board and recorded with the county recorder. If the special election is not conducted at a primary or general election, the school township shall pay the expense of holding the election out of the special school fund that is appropriated for this purpose.

(k) A metropolitan school district shall, subject to section 7 of this chapter, be created on the thirtieth day after the date of the adoption of the confirming resolution under subsection (f) or an election held under subsection (h). If a public official fails to do the official's duty within the time prescribed in this section, the failure does not invalidate the proceedings taken under this section. An action to contest the validity of the creation of a metropolitan school district under this section or to enjoin the operation of a metropolitan school district may not be instituted later than the thirtieth day following the date of the adoption of the confirming resolution under subsection (f) or of the election held under subsection (h). Except as provided in this section, an election under this subsection may not be held sooner than twelve (12) months

5 school district created under this section consists of five (5) members.  
6 The township trustee and the township board members are ex officio  
7 members of the first board, subject to the laws concerning length of  
8 their respective terms of office, manner of election or appointment, and  
9 the filling of vacancies applicable to their respective offices. The ex  
10 officio members serve without ~~other~~ compensation or reimbursement  
11 for expenses, **other** than that which they may receive from their  
12 respective offices. The township board shall, by a resolution recorded  
13 in its records, appoint the fifth member of the metropolitan board of  
14 education. The fifth member shall meet the qualifications of a member  
15 of a metropolitan board of education under this chapter, with the  
16 exception of the board member district requirements provided in  
17 sections 4, 5, and 8 of this chapter.

18 (m) A fifth board member shall be appointed not more than fifteen  
19 (15) days after the date of the adoption of the confirming resolution  
20 under subsection (f)(2) or an election held under subsection (h). The  
21 first board shall hold its first meeting not more than fifteen (15) days  
22 after the date when the fifth board member is appointed or elected, on  
23 a date established by the township board in the resolution in which it  
24 appoints the fifth board member. The first board shall serve until July  
25 1 following the election of a metropolitan school board at the first  
26 primary election held more than sixty (60) days following the creation  
27 of the metropolitan school district.

28 (n) After the creation of a metropolitan school district under ~~with~~  
29 this section, the president of the metropolitan school board of the  
30 district shall serve as a member of the county board of education and

32 previously performed by the township trustee. The metropolitan school  
33 board and superintendent of the district may call upon the assistance of  
34 and use the services provided by the county superintendent of schools.  
35 This subsection does not limit or take away the powers, rights,  
36 privileges, or duties of the metropolitan school district or the board or  
37 superintendent of the district provided in this chapter.

SECTION 337. IC 22-3-3-6 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 6. (a) After an injury and during the period of claimed resulting disability or impairment, the employee, if so requested by the employee's employer or ordered by the ~~industrial~~ **worker's compensation** board, shall submit to an examination at reasonable times and places by a duly qualified physician or surgeon designated and paid by the employer or by order of the worker's compensation board. The employee shall have the right to have present at any such examination any duly qualified physician or surgeon provided and paid for by the employee. No fact communicated to, or otherwise learned by, any physician or surgeon who may have attended or examined the employee, or who may have been present at any examination, shall be privileged, either in the hearings provided for in IC 22-3-2 through IC 22-3-6, or in any action at law brought to recover damages against any employer who is subject

1 to the compensation provisions of IC 22-3-2 through IC 22-3-6. If the  
 2 employee refuses to submit to or in any way obstructs such  
 3 examinations, the employee's right to compensation and his right to  
 4 take or prosecute any proceedings under IC 22-3-2 through IC 22-3-6  
 5 shall be suspended until such refusal or obstruction ceases. No  
 6 compensation shall at any time be payable for the period of suspension  
 7 unless in the opinion of the worker's compensation board the  
 8 circumstances justified the refusal or obstruction. The employee must  
 9 be served with a notice setting forth the consequences of the refusal  
 10 under this subsection. The notice must be in a form prescribed by the  
 11 board.

12 (b) Any employer requesting an examination of any employee  
 13 residing within Indiana shall pay, in advance of the time fixed for the  
 14 examination, sufficient money to defray the necessary expenses of  
 15 travel by the most convenient means to and from the place of  
 16 examination, and the cost of meals and lodging necessary during the  
 17 travel. If the method of travel is by automobile, the mileage rate to be  
 18 paid by the employer shall be the rate currently being paid by the state  
 19 to its employees under the state travel policies and procedures  
 20 established by the department of administration and approved by the  
 21 budget agency. If such examination or travel to or from the place of  
 22 examination causes any loss of working time on the part of the  
 23 employee, the employer shall reimburse the employee for such loss of  
 24 wages upon the basis of the employee's average daily wage. When any  
 25 employee injured in Indiana moves outside Indiana, the travel expense  
 26 and the cost of meals and lodging necessary during the travel payable  
 27 under this section shall be paid from the point in Indiana nearest to the  
 28 employee's then residence to the place of examination. No travel and  
 29 other expense shall be paid for any travel and other expense required  
 30 outside Indiana.

31 (c) A duly qualified physician or surgeon provided and paid for by  
 32 the employee may be present at an examination if the employee so  
 33 desires. In all cases where the examination is made by a physician or  
 34 surgeon engaged by the employer and the injured employee has no  
 35 physician or surgeon present at such examination, it shall be the duty  
 36 of the physician or surgeon making the examination to deliver to the  
 37 injured employee, or the employee's representative, a statement in  
 38 writing of the conditions evidenced by such examination. The  
 39 statement shall disclose all facts that are reported by such physician or  
 40 surgeon to the employer. Such statement shall be furnished to the  
 41 employee or the employee's representative, as soon as practicable, but  
 42 not later than thirty (30) days before the time the case is set for hearing.

**C

1 The statement may be submitted by either party as evidence by that  
 2 physician or surgeon at a hearing before the worker's compensation  
 3 board if the statement meets the requirements of subsection (e). If such  
 4 physician or surgeon fails or refuses to furnish the employee or the  
 5 employee's representative with such statement thirty (30) days before  
 6 the hearing, then the statement may not be submitted as evidence, and  
 7 such physician or surgeon shall not be permitted to testify before the  
 8 worker's compensation board as to any facts learned in such  
 9 examination. All of the requirements of this subsection apply to all  
 10 subsequent examinations requested by the employer.

11 (d) In all cases where an examination of an employee is made by a  
 12 physician or surgeon engaged by the employee, and the employer has  
 13 no physician or surgeon present at such examination, it shall be the  
 14 duty of the physician or surgeon making the examination to deliver to  
 15 the employer or the employer's representative a statement in writing of  
 16 the conditions evidenced by such examination. The statement shall  
 17 disclose all facts that are reported by such physician or surgeon to the  
 18 employee. Such statement shall be furnished to the employer or the  
 19 employer's representative as soon as practicable, but not later than  
 20 thirty (30) days before the time the case is set for hearing. The  
 21 statement may be submitted by either party as evidence by that  
 22 physician or surgeon at a hearing before the worker's compensation  
 23 board if the statement meets the requirements of subsection (e). If such  
 24 physician or surgeon fails or refuses to furnish the employer, or the  
 25 employer's representative, with such statement thirty (30) days before  
 26 the hearing, then the statement may not be submitted as evidence, and  
 27 such physician or surgeon shall not be permitted to testify before the  
 28 ~~industrial~~ **worker's compensation** board as to any facts learned in such  
 29 examination. All of the requirements of this subsection apply to all  
 30 subsequent examinations made by a physician or surgeon engaged by  
 31 the employee.

32 (e) All statements of physicians or surgeons required by this section,  
 33 whether those engaged by employee or employer, shall contain the  
 34 following information:

- 35 (1) The history of the injury, or claimed injury, as given by the  
 36 patient.
- 37 (2) The diagnosis of the physician or surgeon concerning the  
 38 patient's physical or mental condition.
- 39 (3) The opinion of the physician or surgeon concerning the causal  
 40 relationship, if any, between the injury and the patient's physical  
 41 or mental condition, including the physician's or surgeon's reasons  
 42 for the opinion.

(4) The opinion of the physician or surgeon concerning whether the injury or claimed injury resulted in a disability or impairment and, if so, the opinion of the physician or surgeon concerning the extent of the disability or impairment and the reasons for the opinion.

(5) The original signature of the physician or surgeon.

Notwithstanding any hearsay objection, the worker's compensation board shall admit into evidence a statement that meets the requirements of this subsection unless the statement is ruled inadmissible on other grounds.

(f) Delivery of any statement required by this section may be made to the attorney or agent of the employer or employee and such action shall be construed as delivery to the employer or employee.

(g) Any party may object to a statement on the basis that the statement does not meet the requirements of subsection (e). The objecting party must give written notice to the party providing the statement and specify the basis for the objection. Notice of the objection must be given no later than twenty (20) days before the hearing. Failure to object as provided in this subsection precludes any further objection as to the adequacy of the statement under subsection (e).

(h) The employer upon proper application, or the worker's compensation board, shall have the right in any case of death to require an autopsy at the expense of the party requesting the same. If, after a hearing, the worker's compensation board orders an autopsy and such autopsy is refused by the surviving spouse or next of kin, then any claim for compensation on account of such death shall be suspended and abated during such refusal. The surviving spouse or dependent must be served with a notice setting forth the consequences of the refusal under this subsection. The notice must be in a form prescribed by the worker's compensation board. No autopsy, except one performed by or on the authority or order of the coroner in the discharge of the coroner's duties, shall be held in any case by any person, without notice first being given to the surviving spouse or next of kin, if they reside in Indiana or their whereabouts can reasonably be ascertained, of the time and place thereof, and reasonable time and opportunity given such surviving spouse or next of kin to have a representative or representatives present to witness same. However, if such notice is not given, all evidence obtained by such autopsy shall be suppressed on motion duly made to the worker's compensation board.

provided in section 12.1 of this chapter, the fees of attorneys and physicians and charges of nurses and hospitals for services under IC 22-3-2 through IC 22-3-6 shall be subject to the approval of the **industrial worker's compensation** board. When any claimant for compensation is represented by an attorney in the prosecution of his claim, the **industrial worker's compensation** board shall fix and state in the award, if compensation be awarded, the amount of the claimant's attorney's fees. The fee so fixed shall be binding upon both the claimant and his attorney, and the employer shall pay to the attorney out of the award the fee so fixed, and the receipt of the attorney therefor shall fully acquit the employer for an equal portion of the award; provided, that whenever the **industrial worker's compensation** board shall determine upon hearing of a claim that the employer has acted in bad faith in adjusting and settling said award, or whenever the **industrial worker's compensation** board shall determine upon hearing of a claim that the employer has not pursued the settlement of said claim with diligence, then the board shall, if compensation be awarded, fix the amount of the claimant's attorney's fees and such attorney fees shall be paid to the attorney and shall not be charged against the award to the claimant.

SECTION 339. IC 22-3-6-1, AS AMENDED BY P.L.201-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 1. In IC 22-3-2 through IC 22-3-6, unless the context otherwise requires:

(a) "Employer" includes the state and any political subdivision, any municipal corporation within the state, any individual or the legal representative of a deceased individual, firm, association, limited liability company, or corporation or the receiver or trustee of the same, using the services of another for pay. A parent corporation and its subsidiaries shall each be considered joint employers of the corporation's, the parent's, or the subsidiaries' employees for purposes of IC 22-3-2-6 and IC 22-3-3-31. Both a lessor and a lessee of employees shall each be considered joint employers of the employees provided by the lessor to the lessee for purposes of IC 22-3-2-6 and IC 22-3-3-31. If the employer is insured, the term includes the employer's insurer so far as applicable. However, the inclusion of an employer's insurer within this definition does not allow an employer's insurer to avoid payment for services rendered to an employee with the approval of the employer. The term also includes an employer that provides on-the-job training under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) to the extent set forth in IC 22-3-2-2.5. The term does not include a nonprofit corporation that

1 is recognized as tax exempt under Section 501(c)(3) of the Internal  
 2 Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the  
 3 corporation enters into an independent contractor agreement with a  
 4 person for the performance of youth coaching services on a part-time  
 5 basis.

6 (b) "Employee" means every person, including a minor, in the  
 7 service of another, under any contract of hire or apprenticeship, written  
 8 or implied, except one whose employment is both casual and not in the  
 9 usual course of the trade, business, occupation, or profession of the  
 10 employer.

11 (1) An executive officer elected or appointed and empowered in  
 12 accordance with the charter and bylaws of a corporation, other  
 13 than a municipal corporation or governmental subdivision or a  
 14 charitable, religious, educational, or other nonprofit corporation,  
 15 is an employee of the corporation under IC 22-3-2 through  
 16 IC 22-3-6.

17 (2) An executive officer of a municipal corporation or other  
 18 governmental subdivision or of a charitable, religious,  
 19 educational, or other nonprofit corporation may, notwithstanding  
 20 any other provision of IC 22-3-2 through IC 22-3-6, be brought  
 21 within the coverage of its insurance contract by the corporation by  
 22 specifically including the executive officer in the contract of  
 23 insurance. The election to bring the executive officer within the  
 24 coverage shall continue for the period the contract of insurance is  
 25 in effect, and during this period, the executive officers thus  
 26 brought within the coverage of the insurance contract are  
 27 employees of the corporation under IC 22-3-2 through IC 22-3-6.

28 (3) Any reference to an employee who has been injured, when the  
 29 employee is dead, also includes the employee's legal  
 30 representatives, dependents, and other persons to whom  
 31 compensation may be payable.

32 (4) An owner of a sole proprietorship may elect to include the  
 33 owner as an employee under IC 22-3-2 through IC 22-3-6 if the  
 34 owner is actually engaged in the proprietorship business. If the  
 35 owner makes this election, the owner must serve upon the owner's  
 36 insurance carrier and upon the board written notice of the  
 37 election. No owner of a sole proprietorship may be considered an  
 38 employee under IC 22-3-2 through IC 22-3-6 until the notice has  
 39 been received. If the owner of a sole proprietorship is an  
 40 independent contractor in the construction trades and does not  
 41 make the election provided under this subdivision, the owner  
 42 must obtain an affidavit of exemption under IC 22-3-2-14.5.

C  
o

(5) A partner in a partnership may elect to include the partner as an employee under IC 22-3-2 through IC 22-3-6 if the partner is actually engaged in the partnership business. If a partner makes this election, the partner must serve upon the partner's insurance carrier and upon the board written notice of the election. No partner may be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received. If a partner in a partnership is an independent contractor in the construction trades and does not make the election provided under this subdivision, the partner must obtain an affidavit of exemption under IC 22-3-2-14.5.

(6) Real estate professionals are not employees under IC 22-3-2 through IC 22-3-6 if:

(A) they are licensed real estate agents;

(B) substantially all their remuneration is directly related to sales volume and not the number of hours worked; and

(C) they have written agreements with real estate brokers stating that they are not to be treated as employees for tax purposes.

(7) A person is an independent contractor in the construction trades and not an employee under IC 22-3-2 through IC 22-3-6 if the person is an independent contractor under the guidelines of the United States Internal Revenue Service.

(8) An owner-operator that provides a motor vehicle and the services of a driver under a written contract that is subject to IC 8-2.1-24-23, 45 IAC 16-1-13, or ~~49 CFR 1057~~, **49 CFR 376** to a motor carrier is not an employee of the motor carrier for purposes of IC 22-3-2 through IC 22-3-6. The owner-operator may elect to be covered and have the owner-operator's drivers covered under a worker's compensation insurance policy or authorized self-insurance that insures the motor carrier if the owner-operator pays the premiums as requested by the motor carrier. An election by an owner-operator under this subdivision does not terminate the independent contractor status of the owner-operator for any purpose other than the purpose of this subdivision.

(9) A member or manager in a limited liability company may elect to include the member or manager as an employee under IC 22-3-2 through IC 22-3-6 if the member or manager is actually engaged in the limited liability company business. If a member or manager makes this election, the member or manager must serve upon the member's or manager's insurance carrier and upon the

**C

board written notice of the election. A member or manager may not be considered an employee under IC 22-3-2 through IC 22-3-6 until the notice has been received.

(10) An unpaid participant under the federal School to Work Opportunities Act (20 U.S.C. 6101 et seq.) is an employee to the extent set forth in IC 22-3-2-2.5.

(11) A person who enters into an independent contractor agreement with a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to perform youth coaching services on a part-time basis is not an employee for purposes of IC 22-3-2 through IC 22-3-6.

(c) "Minor" means an individual who has not reached seventeen (17) years of age.

(1) Unless otherwise provided in this subsection, a minor employee shall be considered as being of full age for all purposes of IC 22-3-2 through IC 22-3-6.

(2) If the employee is a minor who, at the time of the accident, is employed, required, suffered, or permitted to work in violation of IC 20-33-3-35, the amount of compensation and death benefits, as provided in IC 22-3-2 through IC 22-3-6, shall be double the amount which would otherwise be recoverable. The insurance carrier shall be liable on its policy for one-half (1/2) of the compensation or benefits that may be payable on account of the injury or death of the minor, and the employer shall be liable for the other one-half (1/2) of the compensation or benefits. If the employee is a minor who is not less than sixteen (16) years of age and who has not reached seventeen (17) years of age and who at the time of the accident is employed, suffered, or permitted to work at any occupation which is not prohibited by law, this subdivision does not apply.

(3) A minor employee who, at the time of the accident, is a student performing services for an employer as part of an approved program under IC 20-37-2-7 shall be considered a full-time employee for the purpose of computing compensation for permanent impairment under IC 22-3-3-10. The average weekly wages for such a student shall be calculated as provided in subsection (d)(4).

(4) The rights and remedies granted in this subsection to a minor under IC 22-3-2 through IC 22-3-6 on account of personal injury or death by accident shall exclude all rights and remedies of the minor, the minor's parents, or the minor's personal

representatives, dependents, or next of kin at common law, statutory or otherwise, on account of the injury or death. This subsection does not apply to minors who have reached seventeen (17) years of age.

(d) "Average weekly wages" means the earnings of the injured employee in the employment in which the employee was working at the time of the injury during the period of fifty-two (52) weeks immediately preceding the date of injury, divided by fifty-two (52), except as follows:

(1) If the injured employee lost seven (7) or more calendar days during this period, although not in the same week, then the earnings for the remainder of the fifty-two (52) weeks shall be divided by the number of weeks and parts thereof remaining after the time lost has been deducted.

(2) Where the employment prior to the injury extended over a period of less than fifty-two (52) weeks, the method of dividing the earnings during that period by the number of weeks and parts thereof during which the employee earned wages shall be followed, if results just and fair to both parties will be obtained. Where by reason of the shortness of the time during which the employee has been in the employment of the employee's employer or of the casual nature or terms of the employment it is impracticable to compute the average weekly wages, as defined in this subsection, regard shall be had to the average weekly amount which during the fifty-two (52) weeks previous to the injury was being earned by a person in the same grade employed at the same work by the same employer or, if there is no person so employed, by a person in the same grade employed in the same class of employment in the same district.

(3) Wherever allowances of any character made to an employee in lieu of wages are a specified part of the wage contract, they shall be deemed a part of the employee's earnings.

(4) In computing the average weekly wages to be used in calculating an award for permanent impairment under IC 22-3-3-10 for a student employee in an approved training program under IC 20-37-2-7, the following formula shall be used. Calculate the product of:

(A) the student employee's hourly wage rate; multiplied by

(B) forty (40) hours.

The result obtained is the amount of the average weekly wages for the student employee.

(e) "Injury" and "personal injury" mean only injury by accident

36 less than the charges made by medical service providers at the eightieth  
37 percentile in the same community for like services or products.

38 SECTION 340. IC 22-3-6-3 IS AMENDED TO READ AS  
39 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 3. Every employer  
40 who has complied with the requirements of the provisions of Acts  
41 1915, c.106, or the industrial board **or worker's compensation board**  
42 under that act, which compliance is effective as of May 21, 1929, shall

1 to the same extent be deemed to have complied with the requirements  
2 of IC 22-3-2 through IC 22-3-6.

3 SECTION 341. IC 22-3-7-18 IS AMENDED TO READ AS  
4 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18. (a) Any  
5 employer or employee or beneficiary who shall desire to have such  
6 compensation, or any unpaid part thereof, paid in a lump sum, may  
7 petition the worker's compensation board, asking that such  
8 compensation be so paid, and if, upon proper notice to the interested  
9 parties, and a proper showing made before the ~~industrial worker's~~  
10 **compensation** board, or any member thereof, it appears to the best  
11 interest of the parties that such compensation be so paid, the ~~industrial~~  
12 **worker's compensation** board may order the commutation of the  
13 compensation to an equivalent lump sum, which commutation shall be  
14 an amount which will equal the total sum of the probable future  
15 payments capitalized at their present value upon the basis of interest  
16 calculated at three percent (3%) per year with annual rests. In cases  
17 indicating complete disability, no petition for a commutation to a lump  
18 sum basis shall be entertained by the board until after the expiration of  
19 six (6) months from the date of the disablement.

20 (b) Whenever the worker's compensation board deems it expedient,  
21 any lump sum under this section shall be paid by the employer to some  
22 suitable person or corporation appointed by the circuit or superior  
23 court, as trustee, to administer the same for the benefit of the person  
24 entitled thereto, in the manner authorized by the court appointing such  
25 trustee. The receipt of such trustee for the amount so paid shall  
26 discharge the employer or anyone else who is liable therefor.

27 SECTION 342. IC 22-3-7-27 IS AMENDED TO READ AS  
28 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 27. (a) If the  
29 employer and the employee or the employee's dependents disagree in  
30 regard to the compensation payable under this chapter, or, if they have  
31 reached such an agreement, which has been signed by them, filed with  
32 and approved by the worker's compensation board, and afterward  
33 disagree as to the continuance of payments under such agreement, or  
34 as to the period for which payments shall be made, or as to the amount  
35 to be paid, because of a change in conditions since the making of such  
36 agreement, either party may then make an application to the board for  
37 the determination of the matters in dispute. When compensation which  
38 is payable in accordance with an award or by agreement approved by  
39 the board is ordered paid in a lump sum by the board, no review shall  
40 be had as in this subsection mentioned.

41 (b) The application making claim for compensation filed with the  
42 worker's compensation board shall state the following:

C  
o  
p  
y

(1) The approximate date of the last day of the last exposure and the approximate date of the disablement.

(2) The general nature and character of the illness or disease claimed.

(3) The name and address of the employer by whom employed on the last day of the last exposure, and if employed by any other employer after such last exposure and before disablement, the name and address of such other employer or employers.

(4) In case of death, the date and place of death.

(5) Amendments to applications making claim for compensation which relate to the same disablement or disablement resulting in death originally claimed upon may be allowed by the board in its discretion, and, in the exercise of such discretion, it may, in proper cases, order a trial de novo. Such amendment shall relate back to the date of the filing of the original application so amended.

(c) Upon the filing of such application, the board shall set the date of hearing, which shall be as early as practicable, and shall notify the parties, in the manner prescribed by the board, of the time and place of hearing. The hearing of all claims for compensation on account of occupational disease shall be held in the county in which the last exposure occurred or in any adjoining county, except when the parties consent to a hearing elsewhere. Claims assigned to an individual board member that are considered to be of an emergency nature by that board member, may be heard in any county within the board member's jurisdiction.

(d) The board by any or all of its members shall hear the parties at issue, their representatives, and witnesses, and shall determine the dispute in a summary manner. The award shall be filed with the record of proceedings, and a copy thereof shall immediately be sent by registered mail to each of the parties in dispute.

(e) If an application for review is made to the board within thirty (30) days from the date of the award made by less than all the members, the full board, if the first hearing was not held before the full board, shall review the evidence, or, if deemed advisable, hear the parties at issue, their representatives, and witnesses as soon as practicable, and shall make an award and file the same with the finding of the facts on which it is based and send a copy thereof to each of the parties in dispute, in like manner as specified in subsection (d).

(f) An award of the board by less than all of the members as provided in this section, if not reviewed as provided in this section, shall be final and conclusive. An award by the full board shall be

**C  
o

conclusive and binding unless either party to the dispute, within thirty (30) days after receiving a copy of such award, appeals to the court of appeals under the same terms and conditions as govern appeals in ordinary civil actions. The court of appeals shall have jurisdiction to review all questions of law and of fact. The board, of its own motion, may certify questions of law to the court of appeals for its decision and determination. An assignment of errors that the award of the full board is contrary to law shall be sufficient to present both the sufficiency of the facts found to sustain the award and the sufficiency of the evidence to sustain the finding of facts. All such appeals and certified questions of law shall be submitted upon the date filed in the court of appeals, shall be advanced upon the docket of the court, and shall be determined at the earliest practicable date, without any extensions of time for filing briefs. An award of the full board affirmed on appeal, by the employer, shall be increased thereby five percent (5%), and by order of the court may be increased ten percent (10%).

(g) Upon order of the worker's compensation board made after five (5) days notice is given to the opposite party, any party in interest may file in the circuit or superior court of the county in which the disablement occurred a certified copy of the memorandum of agreement, approved by the board, or of an order or decision of the board, or of an award of the full board unappealed from, or of an award of the full board affirmed upon an appeal, whereupon the court shall render judgment in accordance therewith and notify the parties. Such judgment shall have the same effect and all proceedings in relation thereto shall thereafter be the same as though such judgment has been rendered in a suit duly heard and determined by the court. Any such judgment of such circuit or superior court, unappealed from or affirmed on appeal or modified in obedience to the mandate of the court of appeals, shall be modified to conform to any decision of the ~~industrial~~ **worker's compensation** board ending, diminishing, or increasing any weekly payment under the provisions of subsection (i) upon the presentation to it of a certified copy of such decision.

(h) In all proceedings before the worker's compensation board or in a court under the compensation provisions of this chapter, the costs shall be awarded and taxed as provided by law in ordinary civil actions in the circuit court.

(i) The power and jurisdiction of the worker's compensation board over each case shall be continuing, and, from time to time, it may, upon its own motion or upon the application of either party on account of a change in conditions, make such modification or change in the award ending, lessening, continuing, or extending the payments previously

1 awarded, either by agreement or upon hearing, as it may deem just,  
 2 subject to the maximum and minimum provided for in this chapter.  
 3 When compensation which is payable in accordance with an award or  
 4 settlement contract approved by the board is ordered paid in a lump  
 5 sum by the board, no review shall be had as in this subsection  
 6 mentioned. Upon making any such change, the board shall immediately  
 7 send to each of the parties a copy of the modified award. No such  
 8 modification shall affect the previous award as to any money paid  
 9 thereunder. The board shall not make any such modification upon its  
 10 own motion, nor shall any application therefor be filed by either party  
 11 after the expiration of two (2) years from the last day for which  
 12 compensation was paid under the original award made either by  
 13 agreement or upon hearing, except that applications for increased  
 14 permanent partial impairment are barred unless filed within one (1)  
 15 year from the last day for which compensation was paid. The board  
 16 may at any time correct any clerical error in any finding or award.

17 (j) The board or any member thereof may, upon the application of  
 18 either party or upon its own motion, appoint a disinterested and duly  
 19 qualified physician or surgeon to make any necessary medical  
 20 examination of the employee and to testify in respect thereto. Such  
 21 physician or surgeon shall be allowed traveling expenses and a  
 22 reasonable fee, to be fixed by the board. The fees and expenses of such  
 23 physician or surgeon shall be paid by the state only on special order of  
 24 the board or a member thereof.

25 (k) The board or any member thereof may, upon the application of  
 26 either party or upon its own motion, appoint a disinterested and duly  
 27 qualified industrial hygienist, industrial engineer, industrial physician,  
 28 or chemist to make any necessary investigation of the occupation in  
 29 which the employee alleges that he was last exposed to the hazards of  
 30 the occupational disease claimed upon, and testify with respect to the  
 31 occupational disease health hazards found by such person or persons  
 32 to exist in such occupation. Such person or persons shall be allowed  
 33 traveling expenses and a reasonable fee, to be fixed by the board. The  
 34 fees and expenses of such persons shall be paid by the state, only on  
 35 special order of the board or a member thereof.

36 (l) Whenever any claimant misconceives the claimant's remedy and  
 37 files an application for adjustment of a claim under IC 22-3-2 through  
 38 IC 22-3-6 and it is subsequently discovered, at any time before the final  
 39 disposition of such cause, that the claim for injury or death which was  
 40 the basis for such application should properly have been made under  
 41 the provisions of this chapter, then the application so filed under  
 42 IC 22-3-2 through IC 22-3-6 may be amended in form or substance or

both to assert a claim for such disability or death under the provisions of this chapter, and it shall be deemed to have been so filed as amended on the date of the original filing thereof, and such compensation may be awarded as is warranted by the whole evidence pursuant to the provisions of this chapter. When such amendment is submitted, further or additional evidence may be heard by the worker's compensation board when deemed necessary. Nothing in this section contained shall be construed to be or permit a waiver of any of the provisions of this chapter with reference to notice or time for filing a claim, but notice of filing of a claim, if given or done, shall be deemed to be a notice or filing of a claim under the provisions of this chapter if given or done within the time required in this chapter.

SECTION 343. IC 22-3-7-34, AS AMENDED BY P.L.201-2005, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 34. (a) As used in this section, "person" does not include:

- (1) an owner who contracts for performance of work on the owner's owner occupied residential property; or
- (2) a nonprofit corporation that is recognized as tax exempt under Section 501(c)(3) of the Internal Revenue Code (as defined in IC 6-3-1-11(a)) to the extent the corporation enters into an independent contractor agreement with a person for the performance of youth coaching services on a part-time basis.

(b) Every employer bound by the compensation provisions of this chapter, except the state, counties, townships, cities, towns, school cities, school towns, school townships, other municipal corporations, state institutions, state boards, and state commissions, shall insure the payment of compensation to the employer's employees and their dependents in the manner provided in this chapter, or procure from the worker's compensation board a certificate authorizing the employer to carry such risk without insurance. While that insurance or certificate remains in force, the employer, or those conducting the employer's business, and the employer's occupational disease insurance carrier shall be liable to any employee and the employee's dependents for disablement or death from occupational disease arising out of and in the course of employment only to the extent and in the manner specified in this chapter.

(c) Every employer who, by election, is bound by the compensation provisions of this chapter, except those exempted from the provisions by subsection (b), shall:

- (1) insure and keep insured the employer's liability under this chapter in some corporation, association, or organization

C  
o

1 authorized to transact the business of worker's compensation  
2 insurance in this state; or

3 (2) furnish to the worker's compensation board satisfactory proof  
4 of the employer's financial ability to pay the compensation in the  
5 amount and manner and when due as provided for in this chapter.

6 In the latter case the board may require the deposit of an acceptable  
7 security, indemnity, or bond to secure the payment of compensation  
8 liabilities as they are incurred.

9 (d) Every employer required to carry insurance under this section  
10 shall file with the worker's compensation board in the form prescribed  
11 by it, within ten (10) days after the termination of the employer's  
12 insurance by expiration or cancellation, evidence of the employer's  
13 compliance with subsection (c) and other provisions relating to the  
14 insurance under this chapter. The venue of all criminal actions under  
15 this section lies in the county in which the employee was last exposed  
16 to the occupational disease causing disablement. The prosecuting  
17 attorney of the county shall prosecute all violations upon written  
18 request of the board. The violations shall be prosecuted in the name of  
19 the state.

20 (e) Whenever an employer has complied with subsection (c) relating  
21 to self-insurance, the worker's compensation board shall issue to the  
22 employer a certificate which shall remain in force for a period fixed by  
23 the board, but the board may, upon at least thirty (30) days notice, and  
24 a hearing to the employer, revoke the certificate, upon presentation of  
25 satisfactory evidence for the revocation. After the revocation, the board  
26 may grant a new certificate to the employer upon the employer's  
27 petition, and satisfactory proof of the employer's financial ability.

28 (f)(1) Subject to the approval of the worker's compensation board,  
29 any employer may enter into or continue any agreement with the  
30 employer's employees to provide a system of compensation, benefit, or  
31 insurance in lieu of the compensation and insurance provided by this  
32 chapter. A substitute system may not be approved unless it confers  
33 benefits upon employees and their dependents at least equivalent to the  
34 benefits provided by this chapter. It may not be approved if it requires  
35 contributions from the employees unless it confers benefits in addition  
36 to those provided under this chapter, which are at least commensurate  
37 with such contributions.

38 (f)(2) The substitute system may be terminated by the worker's  
39 compensation board on reasonable notice and hearing to the interested  
40 parties, if it appears that the same is not fairly administered or if its  
41 operation shall disclose latent defects threatening its solvency, or if for  
42 any substantial reason it fails to accomplish the purpose of this chapter.

C  
o

1 On termination, the board shall determine the proper distribution of all  
 2 remaining assets, if any, subject to the right of any party in interest to  
 3 take an appeal to the court of appeals.

4 (g)(1) No insurer shall enter into or issue any policy of insurance  
 5 under this chapter until its policy form has been submitted to and  
 6 approved by the worker's compensation board. The board shall not  
 7 approve the policy form of any insurance company until the company  
 8 shall file with it the certificate of the insurance commissioner showing  
 9 that the company is authorized to transact the business of worker's  
 10 compensation insurance in Indiana. The filing of a policy form by any  
 11 insurance company or reciprocal insurance association with the board  
 12 for approval constitutes on the part of the company or association a  
 13 conclusive and unqualified acceptance of each of the compensation  
 14 provisions of this chapter, and an agreement by it to be bound by the  
 15 compensation provisions of this chapter.

16 (g)(2) All policies of insurance companies and of reciprocal  
 17 insurance associations, insuring the payment of compensation under  
 18 this chapter, shall be conclusively presumed to cover all the employees  
 19 and the entire compensation liability of the insured under this chapter  
 20 in all cases in which the last day of the exposure rendering the  
 21 employer liable is within the effective period of such policy.

22 (g)(3) Any provision in any such policy attempting to limit or  
 23 modify the liability of the company or association insuring the same  
 24 shall be wholly void.

25 (g)(4) Every policy of any company or association shall be deemed  
 26 to include the following provisions:

27 "(A) The insurer assumes in full all the obligations to pay  
 28 physician's fees, nurse's charges, hospital supplies, burial  
 29 expenses, compensation or death benefits imposed upon or  
 30 accepted by the insured under this chapter.

31 (B) This policy is subject to the provisions of this chapter relative  
 32 to the liability of the insured to pay physician's fees, nurse's  
 33 charges, hospital services, hospital supplies, burial expenses,  
 34 compensation or death benefits to and for such employees, the  
 35 acceptance of such liability by the insured, the adjustment, trial  
 36 and adjudication of claims for such physician's fees, nurse's  
 37 charges, hospital services, hospital supplies, burial expenses,  
 38 compensation, or death benefits.

39 (C) Between this insurer and the employee, notice to or  
 40 knowledge of the occurrence of the disablement on the part of the  
 41 insured (the employer) shall be notice or knowledge thereof, on  
 42 the part of the insurer. The jurisdiction of the insured (the

C  
o  
p  
y

employer) for the purpose of this chapter is the jurisdiction of this insurer, and this insurer shall in all things be bound by and shall be subject to the awards, judgments and decrees rendered against the insured (the employer) under this chapter.

(D) This insurer will promptly pay to the person entitled to the same all benefits conferred by this chapter, including all physician's fees, nurse's charges, hospital services, hospital supplies, burial expenses, and all installments of compensation or death benefits that may be awarded or agreed upon under this chapter. The obligation of this insurer shall not be affected by any default of the insured (the employer) after disablement or by any default in giving of any notice required by this policy, or otherwise. This policy is a direct promise by this insurer to the person entitled to physician's fees, nurse's charges, fees for hospital services, charges for hospital services, charges for hospital supplies, charges for burial, compensation, or death benefits, and shall be enforceable in the name of the person.

(E) Any termination of this policy by cancellation shall not be effective as to employees of the insured covered hereby unless at least thirty (30) days prior to the taking effect of such cancellation, a written notice giving the date upon which such termination is to become effective has been received by the worker's compensation board of Indiana at its office in Indianapolis, Indiana.

(F) This policy shall automatically expire one (1) year from the effective date of the policy, unless the policy covers a period of three (3) years, in which event, it shall automatically expire three (3) years from the effective date of the policy. The termination either of a one (1) year or a three (3) year policy, is effective as to the employees of the insured covered by the policy."

(g)(5) All claims for compensation, nurse's charges, hospital services, hospital supplies, physician's fees, or burial expenses may be made directly against either the employer or the insurer or both, and the award of the worker's compensation board may be made against either the employer or the insurer or both.

(g)(6) If any insurer shall fail to pay any final award or judgment (except during the pendency of an appeal) rendered against it, or its insured, or, if it shall fail to comply with this chapter, the worker's compensation board shall revoke the approval of its policy forms, and shall not accept any further proofs of insurance from it until it shall have paid the award or judgment or complied with this chapter, and shall have resubmitted its policy form and received the approval of the

1 policy by the ~~industrial~~ **worker's compensation** board.

2 (h) No policy of insurance covering the liability of an employer for  
3 worker's compensation shall be construed to cover the liability of the  
4 employer under this chapter for any occupational disease unless the  
5 liability is expressly accepted by the insurance carrier issuing the  
6 policy and is endorsed in that policy. The insurance or security in force  
7 to cover compensation liability under this chapter shall be separate  
8 from the insurance or security under IC 22-3-2 through IC 22-3-6. Any  
9 insurance contract covering liability under either part of this article  
10 need not cover any liability under the other.

11 (i) For the purpose of complying with subsection (c), groups of  
12 employers are authorized to form mutual insurance associations or  
13 reciprocal or interinsurance exchanges subject to any reasonable  
14 conditions and restrictions fixed by the department of insurance. This  
15 subsection does not apply to mutual insurance associations and  
16 reciprocal or interinsurance exchanges formed and operating on or  
17 before January 1, 1991, which shall continue to operate subject to the  
18 provisions of this chapter and to such reasonable conditions and  
19 restrictions as may be fixed by the worker's compensation board.

20 (j) Membership in a mutual insurance association or a reciprocal or  
21 interinsurance exchange so proved, together with evidence of the  
22 payment of premiums due, is evidence of compliance with subsection  
23 (c).

24 (k) Any person bound under the compensation provisions of this  
25 chapter, contracting for the performance of any work exceeding one  
26 thousand dollars (\$1,000) in value, in which the hazard of an  
27 occupational disease exists, by a contractor subject to the compensation  
28 provisions of this chapter without exacting from the contractor a  
29 certificate from the worker's compensation board showing that the  
30 contractor has complied with subsections (b), (c), and (d), shall be  
31 liable to the same extent as the contractor for compensation, physician's  
32 fees, hospital fees, nurse's charges, and burial expenses on account of  
33 the injury or death of any employee of such contractor, due to  
34 occupational disease arising out of and in the course of the  
35 performance of the work covered by such contract.

36 (l) Any contractor who sublets any contract for the performance of  
37 any work to a subcontractor subject to the compensation provisions of  
38 this chapter, without obtaining a certificate from the worker's  
39 compensation board showing that the subcontractor has complied with  
40 subsections (b), (c), and (d), is liable to the same extent as the  
41 subcontractor for the payment of compensation, physician's fees,  
42 hospital fees, nurse's charges, and burial expense on account of the

C  
o

injury or death of any employee of the subcontractor due to occupational disease arising out of and in the course of the performance of the work covered by the subcontract.

(m) A person paying compensation, physician's fees, hospital fees, nurse's charges, or burial expenses, under subsection (k) or (l), may recover the amount paid or to be paid from any person who would otherwise have been liable for the payment thereof and may, in addition, recover the litigation expenses and attorney's fees incurred in the action before the worker's compensation board as well as the litigation expenses and attorney's fees incurred in an action to collect the compensation, medical expenses, and burial expenses.

(n) Every claim filed with the worker's compensation board under this section shall be instituted against all parties liable for payment. The worker's compensation board, in an award under subsection (k), shall fix the order in which such parties shall be exhausted, beginning with the immediate employer and, in an award under subsection (l), shall determine whether the subcontractor has the financial ability to pay the compensation and medical expenses when due and, if not, shall order the contractor to pay the compensation and medical expenses.

SECTION 344. IC 22-4-11.5-10, AS ADDED BY P.L.98-2005, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) In addition to any other penalty imposed, a person **who violates this chapter** is subject to a civil penalty under this chapter.

(b) This subsection applies to a person who is an employer (as defined in IC 22-4-7). If an administrative law judge determines that a person is subject to a civil penalty under subsection (a), the administrative law judge shall assign an employer contribution rate equal to one (1) of the following as a civil penalty:

(1) The highest employer contribution rate assignable under this article for:

(A) the year in which the violation occurred; and

(B) the following three (3) years.

(2) An employer contribution rate of two percent (2%) of the employer's taxable wages (as defined in IC 22-4-4-2) for the year in which the violation occurred and the following three (3) years, if:

(A) an employer is already paying the highest employer contribution rate at the time of the violation; or

(B) the increase in the contribution rate described in subdivision (1) is less than two percent (2%).

(c) This subsection applies to a person who is not an employer (as

C  
o

defined in ~~IC 22-4-7-1 or IC 22-4-7-2~~; **IC 22-4-7**). If an administrative law judge determines that a person is subject to a civil penalty under subsection (a), the administrative law judge shall assess a civil penalty of not more than five thousand dollars (\$5,000).

(d) All civil penalties collected under this section shall be deposited in the unemployment insurance benefit fund established by IC 22-4-26-1.

SECTION 345. IC 22-4.1-12-4, AS ADDED BY P.L.1-2005, SECTION 42, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 4. (a) The department shall establish the Indiana education employment program to:

(1) assist eligible students to successfully make the transition from school to the work or employment setting; and

- (2) within fifteen (15) days after receipt of a written request the matter will be set for hearing.

If no hearing is requested and none is ordered by the commissioner, the order will remain in effect until it is modified or vacated by the commissioner. If a hearing is requested or ordered, the commissioner, after notice of and opportunity for hearing, may modify or vacate the order or extend it until final determination.

(d) Withdrawal from registration as a broker-dealer, an agent, an investment adviser, or an investment adviser representative becomes effective thirty (30) days after receipt of an application to withdraw or within a shorter period of time as the commissioner may determine, unless a revocation or suspension proceeding is pending when the application is filed or a proceeding to revoke, suspend, or impose conditions upon the withdrawal is instituted within thirty (30) days after the application is filed. 4 (B) Unfair discrimination between individuals of the same

6 premium, policy fees, assessments, or rates charged or made  
7 for any policy or contract of accident or health insurance or in  
8 the benefits payable thereunder, or in any of the terms or  
9 conditions of such contract, or in any other manner whatever;  
10 however, in determining the class, consideration may be given

12 expected expense of conducting the business, or any other  
13 relevant factor.

14 (C) Excessive or inadequate charges for premiums, policy

18 policy fees, assessments, or rates charged or made for:

19 (i) policies or contracts of reinsurance or joint reinsurance,  
20 or abstract and title insurance;

21 (ii) policies or contracts of insurance against loss or damage  
22 to aircraft, or against liability arising out of the ownership,

26 as distinguished from inland marine, insurance; or

27 (iii) policies or contracts of any other kind or kinds of  
28 insurance whatsoever.

29 However, nothing contained in clause (C) shall be construed to  
30 apply to any of the kinds of insurance referred to in clauses (A)  
31 and (B) nor to reinsurance in relation to such kinds of insurance.  
32 Nothing in clause (A), (B), or (C) shall be construed as making or  
33 permitting any excessive, inadequate, or unfairly discriminatory  
34 charge or rate or any charge or rate determined by the department  
35 or commissioner to meet the requirements of any other insurance  
36 rate regulatory law of this state.

37 (8) Except as otherwise expressly provided by law, knowingly

allow, or give, directly or indirectly, as inducement to such insurance, or annuity, any rebate of premiums payable on the contract, or any special favor or advantage in the dividends, savings, or other benefits thereon, or any valuable consideration or inducement whatever not specified in the contract or policy; or giving, or selling, or purchasing or offering to give, sell, or purchase as inducement to such insurance or annuity or in connection therewith, any stocks, bonds, or other securities of any insurance company or other corporation, association, limited liability company, or partnership, or any dividends, savings, or profits accrued thereon, or anything of value whatsoever not specified in the contract. Nothing in this subdivision and subdivision (7) shall be construed as including within the definition of discrimination or rebates any of the following practices:

(A) Paying bonuses to policyholders or otherwise abating their premiums in whole or in part out of surplus accumulated from nonparticipating insurance, so long as any such bonuses or abatement of premiums are fair and equitable to policyholders and for the best interests of the company and its policyholders.

(B) In the case of life insurance policies issued on the industrial debit plan, making allowance to policyholders who have continuously for a specified period made premium payments directly to an office of the insurer in an amount which fairly represents the saving in collection expense.

(C) Readjustment of the rate of premium for a group insurance policy based on the loss or expense experience thereunder, at the end of the first year or of any subsequent year of insurance thereunder, which may be made retroactive only for such policy year.

(D) Paying by an insurer or insurance producer thereof duly licensed as such under the laws of this state of money, commission, or brokerage, or giving or allowing by an insurer or such licensed insurance producer thereof anything of value, for or on account of the solicitation or negotiation of policies or other contracts of any kind or kinds, to a broker, an insurance producer, or a solicitor duly licensed under the laws of this state, but such broker, insurance producer, or solicitor receiving such consideration shall not pay, give, or allow credit for such consideration as received in whole or in part, directly or indirectly, to the insured by way of rebate.

 9 or otherwise, or conspiracy in restraint of commerce in the  
 10 business of insurance.

11 (11) Monopolizing or attempting to monopolize or combining or  
 12 conspiring with any other person or persons to monopolize any  
 13 part of commerce in the business of insurance. However,  
 14 participation as a member, director, or officer in the activities of  
 15 any nonprofit organization of insurance producers or other  
 16 workers in the insurance business shall not be interpreted, in  
 17 itself, to constitute a combination in restraint of trade or as  
 18 combining to create a monopoly as provided in this subdivision  
 19 and subdivision (10). The enumeration in this chapter of specific  
 20 unfair methods of competition and unfair or deceptive acts and  
 21 practices in the business of insurance is not exclusive or  
 22 restrictive or intended to limit the powers of the commissioner or  
 23 department or of any court of review under section 8 of this  
 24 chapter.

25 (12) Requiring as a condition precedent to the sale of real or  
 26 personal property under any contract of sale, conditional sales  
 27 contract, or other similar instrument or upon the security of a  
 28 chattel mortgage, that the buyer of such property negotiate any  
 29 policy of insurance covering such property through a particular  
 30 insurance company, insurance producer, or broker or brokers.  
 31 However, this subdivision shall not prevent the exercise by any  
 32 seller of such property or the one making a loan thereon of the  
 33 right to approve or disapprove of the insurance company selected  
 34 by the buyer to underwrite the insurance.

35 (13) Issuing, offering, or participating in a plan to issue or offer,

- 24 medical facility, to make payments otherwise required to be made
- 25 under a contract or policy of insurance for charges incurred by an
- 26 insured in such a for-profit hospital or other for-profit medical

- 28 (15) Refusing to insure an individual, refusing to continue to issue
- 29 insurance to an individual, limiting the amount, extent, or kind of
- 30 coverage available to an individual, or charging an individual a
- 31 different rate for the same coverage, solely because of that
- 32 individual's blindness or partial blindness, except where the
- 33 refusal, limitation, or rate differential is based on sound actuarial

 7 collecting any other fee under subsection (d) or (e). All money  
 8 collected by the probation department or the clerk under this section

 14 county that provides probation services to adults to supplement  
 15 adult probation services; and

16 (2) to supplement the salaries of probation officers in accordance

 23 be transferred to the fiscal officer of the city or town for deposit into

 25 of the city or town shall appropriate money from the local supplemental  
 26 adult probation services fund to the city or town court of the city or  
 27 town for the court's use in providing probation services to adults or for  
 28 the court's use for other purposes as may be appropriated by the fiscal  
 29 body. Money may be appropriated under this subsection only to those  
 30 city or town courts that have an adult probation services program. If a  
 31 city or town court does not have such a program, the money collected  
 32 by the probation department must be transferred and appropriated as  
 33 provided under subsection (f).

34 (h) Except as provided in subsection (j), the county or local  
 35 supplemental adult probation services fund may be used only to  
 36 supplement probation services and to supplement salaries for probation  
 37 officers. A supplemental probation services fund may not be used to  
 38 replace other funding of probation services. Any money remaining in  
 39 the fund at the end of the year does not revert to any other fund but  
 40 continues in the county or local supplemental adult probation services  
 41 fund.

Any money remaining in the local supplemental adult probation services fund at the end of the local fiscal year may be appropriated by the city or town fiscal body to the city or town court for use by the court for purposes determined by the fiscal body.

(k) In addition to other methods of payment allowed by law, a probation department may accept payment of fees required under this section and section 1.5 of this chapter by credit card (as defined in IC 14-11-1-7). The liability for payment is not discharged until the probation department receives payment or credit from the institution responsible for making the payment or credit.

(l) The probation department may contract with a bank or credit card vendor for acceptance of bank or credit cards. However, if there is a vendor transaction charge or discount fee, whether billed to the probation department or charged directly to the probation department's account, the probation department may collect a credit card service fee from the person using the bank or credit card. The fee collected under this subsection is a permitted additional charge to the money the probation department is required to collect under subsection (d) or (e).

(m) The probation department shall forward the credit card service fees collected under subsection (l) to the county treasurer or city or town fiscal officer in accordance with subsection (f) or (g). - (1) the individual presents an imminent risk of personal injury to the individual or to another individual; or
- (2) the individual may present a risk of personal injury to the individual or to another individual in the future and the individual:

(A) has a mental illness (as defined in IC 12-7-2-130) that may be controlled by medication, and has not demonstrated a pattern of voluntarily and consistently taking the individual's medication while not under supervision; or

(B) is the subject of documented evidence that would give rise to a reasonable belief that the individual has a propensity for violent or emotionally unstable conduct.

(b) The fact that an individual has been released from a mental health facility or has a mental illness that is currently controlled by

C  
o

medication does not establish that the individual is dangerous for the purposes of this chapter.

**Sec. 2.** A circuit or superior court may issue a warrant to search for and seize a firearm in the possession of an individual who is dangerous if:

(1) a law enforcement officer provides the court a sworn affidavit that:

(A) states why the law enforcement officer believes that the individual is dangerous and in possession of a firearm; and

(B) describes the law enforcement officer's interactions and conversations with:

(i) the individual who is alleged to be dangerous; or

(ii) another individual, if the law enforcement officer believes that information obtained from this individual is credible and reliable;

that have led the law enforcement officer to believe that the individual is dangerous and in possession of a firearm;

(2) the affidavit specifically describes the location of the firearm; and

(3) the circuit or superior court determines that probable cause exists to believe that the individual is:

(A) dangerous; and

(B) in possession of a firearm.

**Sec. 3.** (a) If a law enforcement officer seizes a firearm from an individual whom the law enforcement officer believes to be dangerous without obtaining a warrant, the law enforcement officer shall submit to the circuit or superior court having jurisdiction over the individual believed to be dangerous a written statement under oath or affirmation describing the basis for the law enforcement officer's belief that the individual is dangerous.

(b) The court shall review the written statement submitted under subsection (a). If the court finds that probable cause exists to believe that the individual is dangerous, the court shall order the law enforcement agency having custody of the firearm to retain the firearm. If the court finds that there is no probable cause to believe that the individual is dangerous, the court shall order the law enforcement agency having custody of the firearm to return the firearm to the individual.

(c) This section does not authorize a law enforcement officer to perform a warrantless search or seizure if a warrant would otherwise be required.

**Sec. 4.** If a court issued a warrant to seize a firearm under this

C  
o  
p

chapter, the law enforcement officer who served the warrant shall, not later than forty-eight (48) hours after the warrant was served, file a return with the court that:

(1) states that the warrant was served; and

(2) sets forth:

(A) the time and date on which the warrant was served;

(B) the name and address of the individual named in the warrant; and

(C) the quantity and identity of any firearms seized by the law enforcement officer.

Sec. 5. (a) Not later than fourteen (14) days after a return is filed under section 4 of this chapter or a written statement is submitted under section 3 of this chapter, the court shall conduct a hearing to determine whether the seized firearm should be:

(1) returned to the individual from whom the firearm was seized; or

(2) retained by the law enforcement agency having custody of the firearm.

(b) The court shall set the hearing date as soon as possible after the return is filed under section 4 of this chapter. The court shall inform:

(1) the prosecuting attorney; and

(2) the individual from whom the firearm was seized;

of the date, time, and location of the hearing. The court may conduct the hearing at a facility or other suitable place not likely to have a harmful effect upon the individual's health or well-being.

Sec. 6. (a) In a hearing conducted under section 5 of this chapter, the state has the burden of proving all material facts by clear and convincing evidence.

(b) If the court, in a hearing under section 5 of this chapter, determines that the state has proved by clear and convincing evidence that the individual is dangerous, the court may order that the law enforcement agency having custody of the seized firearm retain the firearm. In addition, if the individual has received a license to carry a handgun, the court shall suspend the individual's license to carry a handgun. If the court determines that the state has failed to prove that the individual is dangerous, the court shall order the law enforcement agency having custody of the firearm to return the firearm to the individual from whom it was seized.

(c) If the court, in a hearing under section 5 of this chapter, orders a law enforcement agency to retain a firearm, the law enforcement agency shall retain the firearm until the court orders

the firearm returned or otherwise disposed of.

**Sec. 7.** If the court, in a hearing conducted under section 5 of this chapter, determines that:

- (1) the individual from whom a firearm was seized is dangerous; and
- (2) the firearm seized from the individual is owned by another individual;

the court may order the law enforcement agency having custody of the firearm to return the firearm to the owner of the firearm.

**Sec. 8.** (a) At least one hundred eighty (180) days after the date on which a court orders a law enforcement agency to retain an individual's firearm under section 6(b) of this chapter, the individual may petition the court for return of the firearm.

(b) Upon receipt of a petition described in subsection (a), the court shall:

- (1) enter an order setting a date for a hearing on the petition; and
- (2) inform the prosecuting attorney of the date, time, and location of the hearing.

(c) The prosecuting attorney shall represent the state at the hearing on a petition under this section.

(d) In a hearing on a petition under this section, the individual:

- (1) may be represented by an attorney; and
- (2) must prove by a preponderance of the evidence that the individual is not dangerous.

(e) If, upon the completion of the hearing and consideration of the record, the court finds that the individual is not dangerous, the court shall order the law enforcement agency having custody of the firearm to return the firearm to the individual.

(f) If the court denies an individual's petition under this section, the individual may not file a subsequent petition until at least one hundred eighty (180) days after the date on which the court denied the petition.

**Sec. 9.** If at least five (5) years have passed since a court conducted the first hearing to retain a firearm under this chapter, the court, after giving notice to the parties and conducting a hearing, may order the law enforcement agency having custody of the firearm to destroy or otherwise permanently dispose of the firearm.

SECTION 549. IC 35-50-1-2, AS AMENDED BY P.L.71-2005, SECTION 4, AND AS AMENDED BY P.L.213-2005, SECTION 4, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 2. (a) As used in this section, "crime of violence" means:

- (1) murder (IC 35-42-1-1);
- (2) attempted murder (IC 35-41-5-1);
- (3) voluntary manslaughter (IC 35-42-1-3);

(12) robbery as a Class A felony or a Class B felony (IC 35-42-5-1);

(13) burglary as a Class A felony or a Class B felony (IC 35-43-2-1); or

(14) causing death when operating a motor vehicle (IC 9-30-5-5).

(b) As used in this section, "episode of criminal conduct" means offenses or a connected series of offenses that are closely related in time, place, and circumstance.

(c) Except as provided in subsection (d) or (e), the court shall determine whether terms of imprisonment shall be served concurrently or consecutively. The court may consider the:

(1) aggravating circumstances in IC 35-38-1-7.1(a); ~~IC 35-37-2.5-2;~~ and

(2) mitigating circumstances in IC 35-38-1-7.1(b); ~~and IC 35-38-1-7.1(c);~~

in making a determination under this subsection. The court may order terms of imprisonment to be served consecutively even if the sentences are not imposed at the same time. However, except for crimes of violence, the total of the consecutive terms of imprisonment, exclusive of terms of imprisonment under IC 35-50-2-8 and IC 35-50-2-10, to which the defendant is sentenced for felony convictions arising out of an episode of criminal conduct shall not exceed the advisory sentence for a felony which is one (1) class of felony higher than the most serious of the felonies for which the person has been convicted.

(d) If, after being arrested for one (1) crime, a person commits another crime:

(1) before the date the person is discharged from probation, parole, or a term of imprisonment imposed for the first crime; or

(2) while the person is released:

(A) upon the person's own recognizance; or

the terms of imprisonment for the crimes shall be served consecutively, regardless of the order in which the crimes are tried and sentences are imposed.

(e) If the factfinder determines under IC 35-50-2-11 that a person used a firearm in the commission of the offense for which the person was convicted, the term of imprisonment for the underlying offense and the additional term of imprisonment imposed under IC 35-50-2-11 must be served consecutively.

SECTION 550. IC 35-50-2-9 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 9. (a) The state may seek either a death sentence or a sentence of life imprisonment

In the sentencing hearing after a person is convicted of murder, the state must prove beyond a reasonable doubt the existence of at least one (1) of the aggravating circumstances alleged. However, the state may not proceed against a defendant under this section if a court determines at a pretrial hearing under IC 35-36-9 that the defendant is a mentally retarded individual.

(b) The aggravating circumstances are as follows:

(1) The defendant committed the murder by intentionally killing the victim while committing or attempting to commit any of the following:

- (A) Arson (IC 35-43-1-1).
- (B) Burglary (IC 35-43-2-1).

(7) The defendant has been convicted of another murder.

(8) The defendant has committed another murder, at any time, regardless of whether the defendant has been convicted of that other murder.

(9) The defendant was:

- 1 (A) under the custody of the department of correction;
- 2 (B) under the custody of a county sheriff;
- 3 (C) on probation after receiving a sentence for the commission

- 5 (D) on parole;
- 6 at the time the murder was committed.
- 7 (10) The defendant dismembered the victim.
- 8 (11) The defendant burned, mutilated, or tortured the victim while
- 9 the victim was alive.
- 10 (12) The victim of the murder was less than twelve (12) years of

- 23 (15) The defendant committed the murder by intentionally
- 24 discharging a firearm (as defined in IC 35-47-1-5):
- 25 (A) into an inhabited dwelling; or
- 26 (B) from a vehicle.
- 27 (16) The victim of the murder was pregnant and the murder
- 28 resulted in the intentional killing of a fetus that has attained
- 29 viability (as defined in IC 16-18-2-365).
- 30 (c) The mitigating circumstances that may be considered under this
- 31 section are as follows:
- 32 (1) The defendant has no significant history of prior criminal
- 33 conduct.
- 34 (2) The defendant was under the influence of extreme mental or
- 35 emotional disturbance when the murder was committed.

- 37 conduct.
- 38 (4) The defendant was an accomplice in a murder committed by
- 39 another person, and the defendant's participation was relatively
- 40 minor.
- 41 (5) The defendant acted under the substantial domination of
- 42 another person.

(6) The defendant's capacity to appreciate the criminality of the defendant's conduct or to conform that conduct to the requirements of law was substantially impaired as a result of mental disease or defect or of intoxication.

(7) The defendant was less than eighteen (18) years of age at the time the murder was committed.

(8) Any other circumstances appropriate for consideration.

(d) If the defendant was convicted of murder in a jury trial, the jury shall reconvene for the sentencing hearing. If the trial was to the court, or the judgment was entered on a guilty plea, the court alone shall conduct the sentencing hearing. The jury or the court may consider all the evidence introduced at the trial stage of the proceedings, together with new evidence presented at the sentencing hearing. The court shall instruct the jury concerning the statutory penalties for murder and any other offenses for which the defendant was convicted, the potential for consecutive or concurrent sentencing, and the availability of good time credit and clemency. The court shall instruct the jury that, in order for the jury to recommend to the court that the death penalty or life imprisonment without parole should be imposed, the jury must find at least one (1) aggravating circumstance beyond a reasonable doubt as described in ~~subsection (k)~~ **subsection (l)** and shall provide a special verdict form for each aggravating circumstance alleged. The defendant may present any additional evidence relevant to:

(1) the aggravating circumstances alleged; or

(2) any of the mitigating circumstances listed in subsection (c).

(e) For a defendant sentenced after June 30, 2002, except as provided by IC 35-36-9, if the hearing is by jury, the jury shall recommend to the court whether the death penalty or life imprisonment without parole, or neither, should be imposed. The jury may recommend:

(1) the death penalty; or

(2) life imprisonment without parole;

only if it makes the findings described in subsection (l). If the jury reaches a sentencing recommendation, the court shall sentence the defendant accordingly. After a court pronounces sentence, a representative of the victim's family and friends may present a statement regarding the impact of the crime on family and friends. The impact statement may be submitted in writing or given orally by the representative. The statement shall be given in the presence of the defendant.

(f) If a jury is unable to agree on a sentence recommendation after reasonable deliberations, the court shall discharge the jury and proceed

C  
o

as if the hearing had been to the court alone.

(g) If the hearing is to the court alone, except as provided by IC 35-36-9, the court shall:

(1) sentence the defendant to death; or

(2) impose a term of life imprisonment without parole; only if it makes the findings described in subsection (l).

(h) If a court sentences a defendant to death, the court shall order the defendant's execution to be carried out not later than one (1) year and one (1) day after the date the defendant was convicted. The supreme court has exclusive jurisdiction to stay the execution of a death sentence. If the supreme court stays the execution of a death sentence, the supreme court shall order a new date for the defendant's execution.

(i) If a person sentenced to death by a court files a petition for post-conviction relief, the court, not later than ninety (90) days after the date the petition is filed, shall set a date to hold a hearing to consider the petition. If a court does not, within the ninety (90) day period, set the date to hold the hearing to consider the petition, the court's failure to set the hearing date is not a basis for additional post-conviction relief. The attorney general shall answer the petition for post-conviction relief on behalf of the state. At the request of the attorney general, a prosecuting attorney shall assist the attorney general. The court shall enter written findings of fact and conclusions of law concerning the petition not later than ninety (90) days after the date the hearing concludes. However, if the court determines that the petition is without merit, the court may dismiss the petition within ninety (90) days without conducting a hearing under this subsection.

(j) A death sentence is subject to automatic review by the supreme court. The review, which shall be heard under rules adopted by the supreme court, shall be given priority over all other cases. The supreme court's review must take into consideration all claims that the:

(1) conviction or sentence was in violation of the:

(A) Constitution of the State of Indiana; or

(B) Constitution of the United States;

(2) sentencing court was without jurisdiction to impose a sentence; and

(3) sentence:

(A) exceeds the maximum sentence authorized by law; or

(B) is otherwise erroneous.

If the supreme court cannot complete its review by the date set by the sentencing court for the defendant's execution under subsection (h), the supreme court shall stay the execution of the death sentence and set a

C  
o  
p  
y

new date to carry out the defendant's execution.

(k) A person who has been sentenced to death and who has completed state post-conviction review proceedings may file a written petition with the supreme court seeking to present new evidence challenging the person's guilt or the appropriateness of the death sentence if the person serves notice on the attorney general. The supreme court shall determine, with or without a hearing, whether the person has presented previously undiscovered evidence that undermines confidence in the conviction or the death sentence. If necessary, the supreme court may remand the case to the trial court for an evidentiary hearing to consider the new evidence and its effect on the person's conviction and death sentence. The supreme court may not make a determination in the person's favor nor make a decision to remand the case to the trial court for an evidentiary hearing without first providing the attorney general with an opportunity to be heard on the matter.

(l) Before a sentence may be imposed under this section, the jury, in a proceeding under subsection (e), or the court, in a proceeding under subsection (g), must find that:

- (1) the state has proved beyond a reasonable doubt that at least one (1) of the aggravating circumstances listed in subsection (b) exists; and
- (2) any mitigating circumstances that exist are outweighed by the aggravating circumstance or circumstances.

SECTION 551. IC 35-50-2-10, AS AMENDED BY P.L.71-2005, SECTION 12, AND AS AMENDED BY P.L.213-2005, SECTION 5, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 10. (a) As used in this section:

- (1) "Drug" means a drug or a controlled substance (as defined in IC 35-48-1).
- (2) "Substance offense" means a Class A misdemeanor or a felony in which the possession, use, abuse, delivery, transportation, or manufacture of alcohol or drugs is a material element of the crime. The term includes an offense under IC 9-30-5 and an offense under IC 9-11-2 (before its repeal).

(b) The state may seek to have a person sentenced as a habitual substance offender for any substance offense by alleging, on a page separate from the rest of the charging instrument, that the person has accumulated two (2) prior unrelated substance offense convictions.

(c) After a person has been convicted and sentenced for a substance offense committed after sentencing for a prior unrelated substance offense conviction, the person has accumulated two (2) prior unrelated

substance offense convictions. However, a conviction does not count for purposes of this subsection if:

(1) it has been set aside; or

(2) it is a conviction for which the person has been pardoned.

(d) If the person was convicted of the substance offense in a jury trial, the jury shall reconvene for the sentencing hearing. If the trial was to the court, or the judgment was entered on a guilty plea, the court alone shall conduct the sentencing hearing, under IC 35-38-1-3.

(e) A person is a habitual substance offender if the jury (if the hearing is by jury) or the court (if the hearing is to the court alone) finds that the state has proved beyond a reasonable doubt that the person had accumulated two (2) prior unrelated substance offense convictions.

(f) The court shall sentence a person found to be a habitual substance offender to an additional fixed term of at least three (3) years but not more than eight (8) years imprisonment, to be added to the term of imprisonment imposed under IC 35-50-2 or IC 35-50-3. If the court finds that:

(1) three (3) years or more have elapsed since the date the person was discharged from probation, imprisonment, or parole (whichever is later) for the last prior unrelated substance offense conviction and the date the person committed the substance offense for which the person is being sentenced as a habitual substance offender; or

(2) all of the substance offenses for which the person has been convicted are substance offenses under IC 16-42-19 or IC 35-48-4, the person has not been convicted of a substance offense listed in section 2(b)(4) of this chapter, and the total number of convictions that the person has for:

(A) dealing in or selling a legend drug under IC 16-42-19-27;

(B) dealing in cocaine or a narcotic drug (IC 35-48-4-1);

(C) dealing in a schedule I, II, or III controlled substance (IC 35-48-4-2);

(D) dealing in a schedule IV controlled substance (IC 35-48-4-3); and

(E) dealing in a schedule V controlled substance (IC 35-48-4-4);

does not exceed one (1);

then the court may reduce the additional fixed term. However, the court may not reduce the additional fixed term to less than one (1) year.

(g) If a reduction of the additional year fixed term is authorized under subsection (f), the court may also consider the aggravating or

circumstances in IC 35-38-1-7.1(a) ~~IC 35-37-2.5-2~~ and the mitigating circumstances in ~~IC 35-38-1-7.1~~ *IC 35-38-1-7.1(b)* to:

- (1) decide the issue of granting a reduction; or
- (2) determine the number of years, if any, to be subtracted under subsection (f).

In addition, the filing of the drawings is required only if the project involves a public building.

(b) The ~~state building commissioner~~ **division of fire and building safety** shall provide a depository for all final record drawings filed, and retain them for inspection and loan under regulated conditions. (21) Accept loans, grants, and other forms of financial assistance from, or contract with, the federal government, the state government, a municipal corporation, a special taxing district, a foundation, or any other source.

(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter.

(23) Take any action necessary to implement the purpose of the authority.

(24) Provide financial assistance, in the manner that best serves the purposes set forth in ~~section 11(b)~~ **section 11** of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the citizens of the unit.

(d) An authority may designate all or a portion of an economic development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the

following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base reuse activities in or serving or ~~benefitting~~ *benefiting* that allocation area.

(2) Establish, augment, or restore the debt service reserve for obligations payable solely or in part from allocated tax proceeds in that allocation area or from other revenues of the authority (including lease rental revenues).

(3) Make payments on leases payable solely or in part from allocated tax proceeds in that allocation area.

(4) Reimburse any other governmental body for expenditures made by it for local public improvements or structures in or serving or ~~benefitting~~ *benefiting* that allocation area.

(5) Pay all or a portion of a property tax replacement credit to taxpayers in an allocation area as determined by the authority. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district (as defined in IC 6-1.1-1-20) that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to the taxing district.

STEP TWO: Divide:

(A) that part of each county's eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by

(B) the STEP ONE sum.

STEP THREE: Multiply:

(A) the STEP TWO quotient; by

(B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that have been allocated during that year to an allocation fund under this section.

If not all the taxpayers in an allocation area receive the credit in full, each taxpayer in the allocation area is entitled to receive the same proportion of the credit. A taxpayer may not receive a credit under this section and a credit under IC 36-7-14-39.5 in the same year.

(6) Pay expenses incurred by the authority for local public

C  
o

improvements or structures that are in the allocation area or serving or benefiting the allocation area.

(7) Reimburse public and private entities for expenses incurred in training employees of industrial facilities that are located:

(A) in the allocation area; and

(B) on a parcel of real property that has been classified as industrial property under the rules of the department of local government finance.

However, the total amount of money spent for this purpose in any year may not exceed the total amount of money in the allocation fund that is attributable to property taxes paid by the industrial facilities described in clause (B). The reimbursements under this subdivision must be made within three (3) years after the date on which the investments that are the basis for the increment financing are made. The allocation fund may not be used for operating expenses of the authority.

(e) In addition to other methods of raising money for property acquisition, redevelopment, or economic development activities in or directly serving or benefitting an economic development area created by an authority under this section, and in anticipation of the taxes allocated under subsection (d), other revenues of the authority, or any combination of these sources, the authority may, by resolution, issue the bonds of the special taxing district in the name of the unit. Bonds issued under this section may be issued in any amount without limitation. The following apply if such a resolution is adopted:

(1) The authority shall certify a copy of the resolution authorizing the bonds to the municipal or county fiscal officer, who shall then prepare the bonds. The seal of the unit must be impressed on the bonds, or a facsimile of the seal must be printed on the bonds.

(2) The bonds must be executed by the appropriate officer of the unit and attested by the unit's fiscal officer.

(3) The bonds are exempt from taxation for all purposes.

(4) Bonds issued under this section may be sold at public sale in accordance with IC 5-1-11 or at a negotiated sale.

(5) The bonds are not a corporate obligation of the unit but are an indebtedness of the taxing district. The bonds and interest are payable, as set forth in the bond resolution of the authority:

(A) from the tax proceeds allocated under subsection (d);

(B) from other revenues available to the authority; or

(C) from a combination of the methods stated in clauses (A) and (B).

(6) Proceeds from the sale of bonds may be used to pay the cost

of interest on the bonds for a period not to exceed five (5) years from the date of issuance.

(7) Laws relating to the filing of petitions requesting the issuance of bonds and the right of taxpayers to remonstrate against the issuance of bonds do not apply to bonds issued under this section.

(8) If a debt service reserve is created from the proceeds of bonds, the debt service reserve may be used to pay principal and interest on the bonds as provided in the bond resolution.

(9) If bonds are issued under this chapter that are payable solely or in part from revenues to the authority from a project or projects, the authority may adopt a resolution or trust indenture or enter into covenants as is customary in the issuance of revenue bonds. The resolution or trust indenture may pledge or assign the revenues from the project or projects. The resolution or trust indenture may also contain any provisions for protecting and enforcing the rights and remedies of the bond owners as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the authority. The authority may establish fees and charges for the use of any project and covenant with the owners of any bonds to set those fees and charges at a rate sufficient to protect the interest of the owners of the bonds. Any revenue bonds issued by the authority that are payable solely from revenues of the authority shall contain a statement to that effect in the form of bond.

(f) Notwithstanding section 8(a) of this chapter, an ordinance adopted under ~~section 11(b)~~ **section 11** of this chapter may provide, or be amended to provide, that the board of directors of the authority shall be composed of not fewer than three (3) nor more than ~~seven (7)~~ *eleven (11)* members, who must be residents of the unit appointed by the executive of the unit.

(g) The acquisition of real and personal property by an authority under this section is not subject to the provisions of IC 5-22, IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the purchase of property by public bodies or their agencies.

(h) An authority may negotiate for the sale, lease, or other disposition of real and personal property without complying with the provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely

1 within the geographic boundaries of an existing or a closed military  
 2 installation, in which case the utility service is not subject to regulation  
 3 for purposes of rate making, regulation, service delivery, or issuance of  
 4 bonds or other forms of indebtedness. However, this exemption from  
 5 regulation does not apply to utility service if the service is generated,  
 6 treated, or produced outside the boundaries of the existing or closed  
 7 military installation.
